We are deeply grateful for the support of Michael's fans.
The money they have raised will be used to sponsor a student in the fourth and
last year of secondary school: her name is Catherine Mueni Musau and she
cannot afford to pay for her school fees, so she has always studied at home.

Cuore d'Africa Onlus supports disadvantaged children in Machakos, Kenya,
through sponsorship and the building of a hostel, named "Village of Hope",
for orphans and victims of family abuses where they can start a new life.
